GOLF FOR GRACE Golf Outing

October 31, 2011 ~ Southward Ho Country Club

Dear Friends,

We are thrilled to invite you back to Southward Ho Country Club for the 2011 Golf for Grace golf outing. After last year's great success in a return to the venerable south shore club, we are fortunate to be able to again provide an opportunity to support the finest private school on the south shore of Long Island at this classic venue.

The event will feature 18 holes of golf on Southward Ho's championship course designed by renowned architect A.W. Tillinghast, who also designed famous golf courses at Winged Foot, Bethpage (Black), Baltusrol and many others. The round of golf will include traditional skills challenges, as well as the popular Beat the Headmaster competition. And given the unique date of the event, you may even find some unusual events and unexpected occurrences throughout the course!

Golf will be preceded by a buffet breakfast and followed by a barbecue lunch at the club's historic clubhouse. Non-golfing friends and family are encouraged to attend the lunch festivities where all will have chances to win fabulous auction and raffle prizes.

All proceeds of the event go to Grace Day School's Capital Fund to support various infrastructure projects and the school administration's ceaseless efforts to provide Grace students with the best educational opportunities possible.

The Golf Outing Committee offers its deep appreciation of your participation and support. We also wish to thank the school administration, support staff, faculty, golf outing volunteers and members of Grace Church for their enthusiastic support of this event.

If you have any questions, please feel free to contact davehartung@optonline.net.

Sincerely,

Kriss Gulbrandsen
